

ROBOCOP THE MUSICAL: THE MOVIE

By

ALEX LITTLE

FADE IN:

1. EXT FIELD - NIGHT

Opening credits as the sky is scene with snow falling. As the credits end the camera pans down to a close up of Robocop's face, clearly in pain. As Robocop dodges an attack, his attacker is now visible, Elsa stands in front of Robocop, about to attack.

ELSA

Take this mighty blast of ice!
Hya!

Elsa throws a bunch of salt at Robocop from her hands. Robocop braces himself until the salt hits him.

ROBOCOP

Why are you throwing salt at me?

ELSA

I'm not. It's snow.

ROBOCOP

Sure.

The two walk around each other as if this was a western, settling on Robocop, his hand on his thigh hovering over a gun.

ELSA

It'll be easier for both of us if
you just let me freeze you.

ROBOCOP

I can't let you do that Elsa. What
has happened to you? You used to
be a pillar of heroism, but now
you're just a villain. You freeze
everyone that you fight, and well,
it's painful to see how far you've
fallen since Frozen in 2013.

ELSA

How dare you accuse me of
villainy, what I strive for is
justice and peace for every person
on this planet! Who even are you?

ROBOCOP

You don't know yet you are
attacking me? Well then, let me
educate you.

ROBOCOP

ROBOCOP (HALF SINGING)

Who even are you? you ask...

well, here's a story.

Full of twists and turns, wonder
and woe, love, heartbreak,
whimpering boyfriend asmr, and
most importantly... Tragedy.

I'm robocop.

Half cop, half robo.

I'm robocop.

wasn't born like this though.

My mama was a waitress

Worked long nights at the diner

My father was a robot

music stops

Wait no he was a cop, by bad I get
that mixed up sometimes

ELSA

So, you're half cop, half robot
with a tragic backstory? Unless
that makes you immune to justice
why would I care?

ROBOCOP

Keep listening. I promise it's
about to get good.

music starts again

ROBOCOP (HALF SINGING)

My father was a cop

Taking alcohol away from minors -
it was a niche department I know

And me? Well, they raised me to be
whatever I wanted to be

And what was my dream you ask?

To be an IRS auditor.

I wasn't popular in school.

I got into Harvard with a full
ride

But we just couldn't afford it

So I went to the local state
school instead

Graduated top of my class with a
Bachelor's of finance, a
certificate in criminal
psychology, and a minor in new age
jazz dance composition.

I went to the IRS to apply for my
dream job

And they said no

So then I decided to give up on
all my hopes and dreams and be a
cop like my father

music goes BAM and pauses

ELSA

Okay, and?

ROBOCOP

And I was damn good at it
4 on the floor rock music theater type beat

ROBOCOP (SINGING)

Verse 1

I was.. ROBOCOP!
Just cop though, no robo (yet)
I was fighting crime
With my handgun and my tazer
I was... NORMAL COP!
Staking out my ex-girlfriend's
house
Not in a stalker way,
Just to see what she's up to
But then... ONE DAY!
There was a big police gunfight
With some criminals
They had guns and it was scary
All my colleagues... DIED!
But I was left entirely untouched
Survivor's guilt was crushing
My life would never be the same

Pre chorus

Then I started doing experiments
In my bachelor pad's garage
Augmenting the human body
To better protect and serve
But I was an accountant by
education
So none of it actually worked

Then I was bitten by a spider!
A radioactive robot one
I no longer needed glasses!
And my skin turned into metal

Chorus

Now I'm... ROBOCOP! (he's Robocop)
Half cop, half robo! (Robocop!)
I'm... fighting crime! (Ooooh, oooh)
With my weird cyborg body! (he's weird)
One half of me is racist!
The other half has a computer
fetish!
Its not the sides you think!
I'm just as confused as you are!
(Uh huh)

Bridge with belty power ballad vibes

My mother died
When I was only 16
My therapist tried
To help me feel seen!
But I was a kid
So I was really just dramatic
And also traumatized
In the head I'm really truly sick
This is a genuine cry for help
Someone please save me from myself
I'm a danger to myself and others
Get me the help I need before I
hurt someone!!!!!!

Bridge Two, Ensemble

ELSE (SINGING)

He is Robocop,
Robocop
He is Robocop,
Robocop!
Robocop the musical!
Robocop the musical!
He is the only hero you need,
Greatest that there is!
He's so great that we don't rhyme
We stand in awe and he wins
Robocop! Robocop! Robocop,
The musical!

ROBOCOP

The movie!

Chorus

Now I'm... ROBOCOP! (he's Robocop)
Half cop, half robo! (Robocop!)
I'm... fighting crime! (Ooooh, oooh)
With my weird cyborg body! (he's weird)
One half of me is racist!
The other half has a computer
fetish!
Its not the sides you think!
I'm just as confused as you are!
(Uh huh)

ALL (SINGING)

Robocop! Robocop! Robocop!

ROBOCOP

See? I'm a hero. My life is dedicated to saving people, I can't let you stop that. Innocent people need me. My friends need me.

ELSA

Cool. (beat) Get it? Cool? I'm ice lady? Isn't that so funny?

ROBOCOP

No.

ELSA

HOW DARE YOU NOT LAUGH AT MY JOKE.

ROBOCOP

That was the worst joke I've ever heard, and I've watched Batman and Robin, the worst Batman movie.

Elsa pulls out a gun and shoots Robocop. As Robocop is falling Elsa just stands there, no sense of victory or joy. Elsa just walks away in pure silence.

2. INT BATCAVE — NIGHT

The Batcave isn't very good, but it is a Batcave. Batman is sitting there in a folding chair facing the wall. Alfred comes in and hear his voice.

ALFRED

Mr. Wayne, I know that you are morning Robocop right now, but it is nearly 7PM, it's time for you to move on.

BATMAN

I can't move on butler; the death of Robocop has saddened me so. Even after two years all I think about is Robocop. He died alone,

shot for no reason. Just thinking about what happened to him brings me back to that alley. Robocop was my icon, a hero that helped me through my childhood after the death of my parents. To live without Robocop would be to live without life itself. Robocop has my love. Robocop has my life. He is love, and he is life.

ALFERD

I meant it's time to move on to dinner. Might I recommend singing a ballad?

BATMAN

That is a stupid idea. How would a ballad make me feel better?

ALFRED

Mr. Wayne, if I can't help you with your skulking the best I can do is leave your dinner out for you. It will be on the table.

As Alfred leaves the room Batman just sits there. Skulking for an awkward amount of time. Eventually he stands up and as the music starts for LET IT GO the scene transforms into a completely new location where Batman is alone out in the darkness.

LET IT GO

BATMAN (SINGING)

**The snow glows white
somewhere tonight
Not a footprint to be seen
A city of isolation
And it looks like I'm the bat

The wind is howling like this
swirling storm inside
Couldn't keep it in, heaven knows**

I tried
Don't let them in, don't let them
see
Be the good bat you always have to
be
Conceal, don't feel, don't let
them know
Well, now they know

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the bat mobile
door
I don't care what they're going to
say
Let the storm rage on
The darkness never bothered me
anyway

It's funny how some distance makes
everything seem small
And the fears that once controlled
me can't get to me at all
It's time to see what I can do
To test the limits and break
through
All right, no wrong, no killing by
me
I'm free

Let it go, let it go
I am one with the dark and sky
Let it go, let it go
You'll never see me cry
Here I stand and here I stay
Let the storm rage on

The darkness flurries through the
air in my big brain
My soul is spiraling in even more
darkness all around
And one thought something
something like darkness

(speaking) I don't know
I'm never going back, the past is
in the past

Let it go, let it go
And I'll rise like the fall of
dusk
Let it go, let it go
That perfect billionaire is gone
Here I stand in the dark of night
Let the storm rage on
The dark never bothered me anyway

As the song ends Batman is just left standing there. Again, for an awkwardly long amount of time.

BATMAN

I do feel a little better I guess..

He exits the room before swiftly reentering with a plate of food. He just grabs a handful of food and shoves it in his mouth before spitting it out.

BATMAN (CONT)

That tastes as bad as my own
cooking!

3. EXT METROPOLIS — DAY

Superman is flying through the air with the worst greenscreen possible in the background. He lands and the background completely changes with the change from having a greenscreen background to a real filming environment. Next to him is a random girl.

GIRL

Wow Superman! You are so cool!
Thank you for saving my cat from
the burning chemical plant!

SUPERMAN

No worries. I am very cool indeed
random street girl!

GIRL

Thanks to you the city is safe!

SUPERMAN

Yes it is, although it isn't all thanks to me. It seems like all super villains in the world have disappeared. Like Lex Luthor and other DC supervillains have magically disappeared.

GIRL

Shouldn't you celebrate that?

SUPERMAN

The opposite, I need to know why they all suddenly disappeared and all after the death of Robocop too. It has to be connected but I have no clue.

GIRL

Can I help?

SUPERMAN

I guess

GIRL

Superman, I love you.

SUPERMAN

Random street girl, I love you too.

Looks towards camera. Girl just stays there looking at Superman.

SUPERMAN (CONT)

What about Louis Lane?

GIRL

Who?

SUPERMAN

I can't remember, must not be very
important. Random street girl, I
love you too. Let's fly.

As the background yet again changes to an awful greenscreen, the
music for A WHOLE NEW WORLD begins.

A WHOLE NEW WORLD

SUPERMAN (SINGING)

**I can show you the world
Shining, shimmering, splendid
Tell me, street girl
Now, when did you last let your
heart decide?**

STREET GIRL

I just did.

SUPERMAN (SINGING)

I can open your eyes

STREETGIRL

They are open.

SUPERMAN (SINGING)

**Take you wonder by wonder
Over, sideways and under
On my big muscley back
A whole new world
A new fantastic point of view
No one to tell us no
Or where to go
Or say we're only dreaming**

STREETGIRL (SINGING)

**A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now, I'm in a whole new world
with you**

SUPERMAN (SINGING)

Now I'm in a whole new world with
you

STREETGIRL (SINGING)

Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky

BOTH (SINGING)

A whole new world (Don't you dare
close your eyes)
A hundred thousand things to see
(Hold your breath, it gets better)
I'm like a shooting star
I've come so far
I can't go back to where I used to
be
A whole new world (Every turn a
surprise)
With new horizons to pursue (Every
moment red-letter)
I'll chase them anywhere
There's time to spare
Let me share this whole new world
with you

SUPERMAN (SINGING)

A whole new world

STREETGIRL (SINGING)

A whole new world

SUPERMAN (SINGING)

That's where we'll be

STREETGIRL (SINGING)

What's where we'll be

SUPERMAN (SINGING)

A thrilling chase

STREETGIRL (SINGING)

A wondrous place

BOTH (SINGING)

For you and -

As the rest of the music finishes playing, we see a poorly added in ice blast knock the street girl off of Superman and we see a poorly edited version of her falling to her death before we see a not very upset Superman just flying there on the terrible greenscreen.

SUPERMAN

Well, that's a buzzkill now ain't it? Icy blast though... I think I know who did this moderately evil thing.

4. EXT SOME RANDOM ASS STREET - DAY

Batman is walking out on the street in broad day light, now eating a Kid Cuisine microwave dinner when a picture of Superman is poorly keyframed to be landing in front of Batman, before turning into the actual actor playing Superman

SUPERMAN

Bat dude! It's great to see you out and about again!

BATMAN

Batman.

SUPERMAN

Yeah?

BATMAN

You called me bat dude. My name is batman. Learn your lines. Dumbass. Also what is with the facial hair? Is it going to get removed in post? Are you Henry Cavil?

SUPERMAN

No, I'm not, what are you talking about? The reason I'm here Batzy is I think I know who killed Robocop! I was flirting with some random girl, and she was killed by an ice blast!

BATMAN

Batzy?

SUPERMAN

Robocop's body was found with ice so...

BATMAN

Don't make me relive seeing his body, it's too painful.

SUPERMAN

Oh, um..

BATMAN

Anyways... You were saying about ice?

SUPERMAN

Robocop being frozen with ice, our villain's disappearing, the girl on my back being frozen? It all has to be connected. I couldn't find the girl either. In Arkham we saw ice marks in Joker's cell too. What I'm saying -

BATMAN

Queen Elsa from Arendale Norway is behind this all?

SUPERMAN

I'm thinking she might be, but
isn't she a good guy?

BATMAN

She's not a guy.

SUPERMAN

Shut up dude. You knew what I
meant. Let's go kill her or
something.

BATMAN

I hate you bro, I'll do it myself
Thanos style.

SUPERMAN

You don't hate me! We are the best
of friends!

BATMAN

Your therapy is why I went into
hiding.

FRIEND LIKE ME

The music for friend like me starts and both characters are now
in a completely different location.

BATMAN

No way are you already getting
another song, you just had one.
What kind of biased bullshit is
this Alex?

SUPERMAN (SINGING)

**Well, Ali Baba had them 40 thieves
Scheherazade had a thousand tales
But master, you in luck 'cause up
your sleeves
You got a brand of magic never
fails**

You got some power in your corner
now
Some heavy ammunition in your camp
You got some punch, pizzazz, yahoo
and how?
See, all you gotta do is rub that
lamp, and I'll say

"Mister Aladdin, sir, what will
your pleasure be?"

Let me take your order, jot it
down
You ain't never had a friend like
me, ha-ha-ha
Life is your restaurant and I'm
your maitre d'
Come on, whisper what it is you
want
You ain't never had a friend like
me

Yes sir, we pride ourselves on
service
You're the boss, the king, the
shah
Say what you wish, it's yours,
true dish
How 'bout a little more baklava?
Have some of column A, try all of
column B
I'm in the mood to help you, dude
You ain't never had a friend like
me

BATMAN

The lyrics haven't even been
changed. This is just glorified
karaoke. What the fuck?

CREATOR

The song was added last minute.

BATMAN

Why?

CREATOR

I like Superman!

SUPERMAN (SINGING)

Can your friends do this?
Can your friends do that?
Can your friends pull this
Out their little hat?
Can your friends go poof?
Hey, looky here, ha-ha!
Can your friends go, "Abracadabra,
let 'er rip"
And then make the sucker
disappear?

So don'tcha sit there slack-jawed,
buggy-eyed
I'm here to answer all your midday
prayers
You got me bona fide, certified
You got a genie for your charge
d'affaires
I got a powerful urge to help you
out
So what's your wish? I really
wanna know
You got a list that's three miles
long, no doubt
Well, all you gotta do is rub like
so, hey-oh

Mister Aladdin, sir, have a wish
or two or three
I'm on the job, you big nabob
You ain't never had a friend,
never had a friend
You ain't never had a friend,
never had a friend
You ain't never had a friend like
me

You ain't never had a friend like
me! See aren't we best friends bat
person?

BATMAN

I hate you even more now. The lyrics were not changed at all! Who the fuck even is Aladdin? Not Batman that's who! All you did was sing yet another song from Aladdin. Is that the only music you know? Like bro, come on. I swear if you not only get the next musical number, but another song from Aladdin I will kick your ass behind the camera.

SUPERMAN

Get on my back and we will fly to Norway! I have a plan!

BATMAN

You are just going to ignore what I said aren't-

SUPERMAN

Let's go!

5. EXT NORWAY. - DAY

PRINCE ALI

Superman and StreetF*ck enter on with a couple of other people.

BATMAN (OFF SCREEN)

I SWEAR TO GOD ZACH IF YOU SING
THIS SONG I WILL KICK YOUR ASS!

SUPERMAN

Hey you! Street F*ck you sing this song, so my ass doesn't get beaten.

BATMAN (OFF SCREEN)

I may beat it anyways. Wink wink.

STREETF*CK (SINGING)

Make way for big Bruce Wayne
Say hey, it's big Bruce Wayne

Hey! Clear the way in the city
streets

Hey, you, let us through it's a
brand-new star

Oh, come be the first on your
block to meet his eye

Make way, here he comes
Ring bells, bang the drums
You're gonna love this guy

Big Bruce Wayne, fabulous he, Bat
Man

Show some respect, genuflect, down
on one knee

Now, try your best to stay calm
Brush up your Friday greetings
Then come and meet his spectacular
coterie

Big Bruce Wayne mighty is he, Bat
Man

Strong as ten regular men,
definitely

SUPERMAN (SINGING)

He's faced the full Court of Owls

CADE (SINGING)

A hundred bad guys with guns

ALL (SINGING)

Who sent those goons to their
cells? Why, Bat Man

OTHERS (SINGING)

He's got money and money and money

He's got even more money than you
Uh-huh, uh-huh, uh-huh

He's got an endless supply of

money
Everybody help me out
He's got some cash? I'm telling
you,
It's a world-class vault of his
cash

STREETF*CK (SINGING)

Big Bruce Wayne, handsome is he,
Bat Man
That physique! How can I speak?
Weak at my knees!
So get on out in that square
Adjust your life and prepare
To gawk and grovel and stare at
Big Bruce Wayne

OTHERS (SINGING)

He's got money and money and money
He's got the money, that's all
we're saying

STREETF*CK (SINGING)

And to view it he charges no fee

OTHERS (SINGING)

He's generous, so generous
He's got ten thousand servants and
flunkies
Proud to work for him
They bow to his whim, love serving
him
They're just lousy with loyalty to
Wayne

EVERYONE (SINGING)

Big Bruce Wayne
Bruce Wayne...
We're waiting for you!
We're not going until you go
You can do it
There it is

Big Bruce Wayne, amorous he, Bat
Man

Heard your princess was hot! Where
is she?

And that, good people, is why
He got all cute and dropped by

With lots of his money, even more
money

With his cash and cash, a brass
band and more

With his 40 bankers, his cooks,
his bakers

His bats that screech on key
Make way for Big Bruce Wayne

BATMAN

Aren't I sexy?

ELSA

Wow. Just wow.

BATMAN

Thanks street fuck you can leave
now. Thanks for stealing that
song.

STREETF*CK

No worries Mr. Wayne! I hear the
next song is yours!

ELSA

That was quite the impression
Bruce Wayne, or should I say
Batman?

BATMAN

I am not that hot and sexy Batman
person you speak of.

ELSA

Did you listen to the song? "Big
Bruce Wayne amorous he, Batman."
You also have the mask on

BATMAN

I knew something was wrong.

SUPERMAN

My bad

BATMAN

Shut the fuck up Superman. If I
wanted to hear your whiny ass
voice I would have asked for it.
Get out so that I can sing a love
duet with Elsa from the 2013 hit
Disney movie Frozen.

ELSA

I would like to talk to you
Batman, alone.

BATMAN

I finally got game!

6. EXT STILL NORWAY. — DAY

ELSA

It's so good to finally meet you
in person Batman.

BATMAN

Before we sing our duet I have
some questions for you.

ELSA

Ill let you ask one of them. This
act of the movie is running longer
than we would like so we need to
get to wrapping it up.

BATMAN

Are you responsible for the
disappearance of certain heroes
and villains in America?

ELSA

Aren't you happy that I killed
Joker?

BATMAN

I was too lazy to do it myself so
yeah.

ELSA

Cool.

BATMAN

Haha. I get it, cool, ice lady,
cool haha.

ELSA

You got the joke!

LOVE IS AN OPEN DOOR

BATMAN

Okay, can I just, say something
crazy?

ELSA

I love crazy!

BATMAN (SINGING)

**All my life has been a series of
doors in my face
And then suddenly I bump into you**

ELSA

I was thinking the same thing!

(NOW SINGING)

'Cause like
I've been searching my whole life
to find my own place
And maybe it's the party talking
or the chocolate fondue

BATMAN (SINGING)

But with you

ELSA (SINGING)

But with you

I found my place

BATMAN (SINGING)

I see your face

BOTH (SINGING)

And it's nothing like I've ever
known before!

BATMAN (SINGING)

Love is an open door!

ELSA (SINGING)

Love is an open door!

BATMAN (SINGING)

Love is an open door!

With you!

ELSA (SINGING)

With you!

BATMAN (SINGING)

With you!

BOTH (SINGING)

With you!

Love is an open door

ELSA (SINGING)

I mean it's crazy

BATMAN (SINGING)

What?

ELSA (SINGING)

We finish each other's

BATMAN

Sandwiches!

ELSA

That's what I was gonna say!

BATMAN (SINGING)

I've never met someone

BOTH (SINGING)

**Who thinks so much like me!
Jinx! Jinx again!
Our mental synchronization
Can have but one explanation**

ELSA (SINGING)

You

BATMAN (SINGING)

And I

ELSA (SINGING)

Were

BATMAN (SINGING)

Just

BOTH (SINGING)

Meant to be!

BATMAN (SINGING)

Say goodbye

ELSA (SINGING)

Say goodbye

BOTH (SINGING)

**To the pain of the past
We don't have to feel it anymore!**

**Love is an open door!
Love is an open door!
Life can be so much more!**

BATMAN (SINGING)

With you!

ELSA (SINGING)

With you!

BATMAN (SINGING)

With you!

BOTH (SINGING)

With you!

Love is an open door

ELSA

Can I say something crazy?
Will you marry me?

BATMAN

Can I say something even crazier?
Yes!

7. EXT GUESS WHAT? — DAYISH

BATMAN

Guess what idiot. I'm a married man! Get to my level or is love your Kryptonite. Fucking dumbass.

SUPERMAN

You're engaged. Not married.

BATMAN

Fuck you.

SUPERMAN

You also sung another song from Frozen so-

BATMAN

AND YOU WERE GOING TO SING THREE SONGS FROM ALADDIN SHUT UP DICK NOSE.

SUPERMAN

Did you find out if Elsa was behind all the villains disappearing and Robocop?

BATMAN

Yeah she killed Joker or something.

SUPERMAN

Shouldn't you be upset? She killed one of your foes and you have a no killing rule.

BATMAN

I didn't kill him.

SUPERMAN

What about Robocop?

ELSA

Yeah I killed him. I would have frozen him like everyone else, but I got carried away, but what should I do with you two? I was going to kill you both too but then I fell in love. I guess I'll just kidnap you instead.

BATMAN

Noooo! It can't be true! You can't have killed Robocop! Robocop is love; Robocop is life!

ELSA

He isn't life anymore!

BATMAN

Nooooooooo! But I love you Elsa from Frozen! I feel so betrayed!

SUPERMAN

Why?

ELSA

Because the time for superheroes and villains is over. We must rid the world of anything that disrupts the status quo!

SUPERMAN

What about you? You disrupt the status quo.

ELSA

I was going to freeze myself or whatever after everyone else was gone. Let's go bozos.

8. INT. SOMEWHERE OVER THE RAINBOW I DON'T KNOW PLEASE GIVE ME A
BREAK. — TIME TO GET A WATCH

Superman, Alfred, and StreetF*ck are tied up and sitting on
chairs, there is one extra chair next to Superman.

SUPERMAN

Oh, hello there Alfred. Welcome
back to relevancy.

ALFRED

I'm just here for my paycheck. If
there even is one.

SUPERMAN

Where's Batman?

ALFRED

Carlos had to take a massive shit.

CREATOR

Oh that's why he's gone? Shit.
I'll quickly recast him.

SUPERMAN

Then wouldn't we have to refilm
everything?

CREATOR

No one will notice a thing.

RECAST BATMAN

Sup bitches.

Recast Batman just sits in the extra chair and the Creator comes
out and ties him up.

RECAST BATMAN (CONT)

Hey there butler. Welcome back to
relevancy.

ALFRED

Your friend has already said that

RECAST BATMAN

That baloney sucker is not my
friend.

SUPERMAN

But I sang a song and everything!

RECAST BATMAN

Sure buddy. Sure.

ELSA

Welcome to my mysterious lair
beyond all of space and time. We
now exist in between seconds of
time. It is here that I will use
my epic freezer machine to freeze
you out of all of time.

Recast Batman raises his hand as if to ask a question.

ELSA (CONT)

Yes Batman?

RECAST BATMAN

I have a few questions. One, why
the freezing machine, you have ice
powers you stupid idiot. Two, when
are we getting married?

ELSA

You are still hung up on that?
We're never getting married.

RECAST BATMAN

Bruh. I feel insulted.

SUPERMAN

Why do you care about the marriage? We should be asking why and how we now exist in a moment beyond time.

RECAST BATMAN

Because I'm so forever lonely, that's why I care about marriage.

ALFRED

Don't worry I'm here for you Mr. Wayne.

RECAST BATMAN

Did you hear the wind or something?

ALFRED

I don't see the point in this game Mr. -

RECAST BATMAN

I don't care about you butler. I want to marry Elsa from Frozen!

ALFRED

Isn't she a little shorter than you expected Superman?

SUPERMAN

Anyways... The whole being in a single moment of time or whatever, why?

ELSA

Because.

SUPERMAN

That doesn't-

ELSA

Because!

RECAST BATMAN

Do you love me?

ELSA

No.

RECAST BATMAN

You don't sound too sure.

ELSA

Why would I love you? You are everything I despise? You believe you stand above the law, wearing that stupid ass mask doing vigilante shit. That's the kind of person I am trying to rid the world of. Whether you people think of yourself as good or evil, all you do is disrupt the lives of ordinary, good people. That is what I'm fixing. That is why you must die.

ALFRED

That my lady is very deep.

RECAST BATMAN

Your love for me is tearing you apart. I can tell.

ALFRED

Mr. Wayne I really don't think-

RECAST BATMAN

SHUT THE FUCK UP ALFRED! No one cares about you! You are only here because, I DON'T EVEN FUCKING KNOW! You have nothing to do with

Elsa's plan! Now Elsa, do you love me?

Yet again, as if it is now a cliché within this movie, the background fades and we are left with just Elsa, and the music for Hellfire begins.

HELLFIRE

ELSA

Could I really love Batman? Could I really love the thing I've sworn to destroy?

RECAST BATMAN (OFF SCREEN)

Yes baby. I'm marking my calendar for an April wedding.

ELSA

Batman, let me sing a ballad, and maybe then my mind will be clear.

ELSA (SINGING)

Beata Maria, you know I am a
righteous girl
Of my virtue I am justly proud
Beata Maria, you know I'm so much
purer than
The common, vulgar, weak,
licentious crowd

Then tell me, Maria, why I see him
dancing there?
Why his smoldering eyes still
scorch my soul?

I feel him, I see him
The sun caught in his stupid mask
Is blazing in me out of all
control

Like fire
Hellfire
This fire in my skin
This burning desire
Is turning me to sin

It's not my fault
I'm not to blame
It is the vigilante man who sent
this flame
It's not my fault
If in the world
that the heroes are so much
stronger than my ice

Protect me, Maria
Don't let this hero cast his spell
Don't let his fire sear my flesh
and bone
Destroy all the heroes
And let them taste the fires of
hell
Or else let him be mine and mine
alone

Hellfire
Dark fire
Now Batman, it's your turn
Choose me or your pyre
Be mine or you will burn
God have mercy on him
God have mercy on me
But he will be mine
Or he will burn

And just like normal, the background goes back to how it was.

ELSA

Huh, I thought that would help
clear my mind more.

RECAST BATMAN

Of course you are still
conflicted! That was a really
dramatic song with lots of scary
words. I want you really bad. I
don't need to burn baby. I'm
thinking for our April wedding
that we-

During Recast Batman's speech, the original Batman enters.
Everyone else instantly stops making noise and just looks right
at Batman.

BATMAN

I don't mean to cut you off but
who the fuck are you?

RECAST BATMAN

While you were so rudely shitting
instead of acting I became Batman.

BATMAN

Fair enough.

Batman takes off the mask and starts to speak with his normal
voice.

BATMAN (CONT)

I guess if I'm not wanted anymore
I'll just leave.

He takes a few steps before stopping again.

BATMAN (CONT)

This takes me back to that alley,
I felt so powerless, helpless.
Like all my freewill was taken and
I just had to sit there besides
the bodies of my parents, but now
instead of sitting beside my dead
parents I will be sitting behind
the camera as my job is taken from
me. ACTUALLY WAIT! I'm so smart.

Batman grabs a script from off screen and begins writing.

BATMAN (CONT)

I'm not back in that alley **and** I
have free will! Time to give this
movie a rewrite!

SUPERMAN

What are you doing?

BATMAN

Bringing back Robocop!

ELSA

What! You can't do that!

Robocop enters now.

ALFRED

Actually, I think he can.

RECAST BATMAN

We are still getting married,
right Elsa?

I'M THE HERO

ROBOCOP (SINGING)

I am Robocop

Half human, half machine

I once was dead, but now I'm not

And I have no clue who I am

I live far away

All I do is fightin' crime

I do with style and pazazz

But I have no clue who I am

Am I the hero

Am I the villain

what is my purpose

What do I stand for

Who the hell is Robo...

Cop!

BATMAN

This actually is my fault. You
don't know who you are because I'm
the one writing you right now and
I have never seen Robocop

ROBOCOP

Fair enough, I haven't seen it
either which is why I can't improv
it.

ELSA

Wait, why do you get original
songs?

RECAST BATMAN

Skill issue bitch.

SUPERMAN

You play Robocop and you have
never seen the movie?

CREATOR

I mean I haven't seen Robocop
either.

ELSE

YOU WROTE THIS FILM

CREATOR

Why do you think I killed him off
in the first scene?

BATMAN

I may not know who you are
Robocop, but I love you. You are
the hero!

ROBOCOP (SINGING)

I am the hero

I like the sound that

I am the hero

I must live up to that

I am

The hero
Lets get down to business
Let's fight Elsa
Pew pew take this
Pew pew take that
We will kick your freaking ass
I am the hero,
so I must live up to that
I have lived so long
Been all around
And all I have learned
Is that
I
Am
A
Hero
And heroes, must defeat our foe
Good defeats evil
Evil will rest
And when it wakes
I will put it back to sleep
I don't need meter
No repetitive vamp
I will sing
As we beat your ass
I
Am
The
Hero
I am the hero

If you disagree go fuck yourself

SUPERMAN (WHILE ROBOCOP IS SINGING)

Have you guys noticed that the
longer this goes on the more
swearing there is? It's almost as
if the writer is trying to
suppress the inner anguish from
having to write this fucking shit.
Censor that please in post Alex.

ROBOCOP (SINGING)

**As the hero, It is time win
This thing has gone too long
We need to, wrap it up
We must defeat, Elsa
To restore the old world
As, it, was.
Because I am the hero
I am the hero
Robocop is love
Robocop is life
Robocop is love, Robocop is life
While you Elsa from Frozen are
death. Lets. Fight. You. Now**

Music break as Elsa is killed by the heroes.

RECAST BATMAN

My soon to be wife! Damnit we
killed her. I hate this rewrite.

ROBOCOP (CONT SINGING)

That was...

It.

Elsa is gone. The battle has been won, and it looks like, were the kings.

My name is Robocop

Half human, half man

I mean,

Half human, half machine

And I. am. The. Fucking. Hero.

Hero.

CREATOR

CUT!

As the music comes to an end, everyone just stands there looking at the camera.

CREATOR (CONT)

Well, while you were singing I made further rewrites. Here are the scripts. Let's try out the first number. Quentin, you have been promoted, you get a solo now.

QUINTON

About time.

THE BALLAD OF SWEENEY TODD

QUINTON (SINGING)

Attend the tale of Sweeney Todd
His skin was pale and his eye was
odd

ALFRED (SINGING)

He shaved the faces of gentlemen
Who never thereafter were heard of
again

BOTH (SINGING)

He trod a path that few have trod
Did Sweeney Todd
The demon barber of Fleet Street

RECAST BATMAN (SINGING)

He kept a shop in London Town
Of fancy clients and good renown

STREETGIRL (SINGING)

And what if none of their souls
were saved?
They went to their maker
impeccably shaved

BOTH (SINGING)

By Sweeney
By Sweeney Todd

ALL FOUR (SINGING)

The demon barber of Fleet Street

EVERYONE (SINGING)

Swing your razor wide, Sweeney
Hold it to the skies
Freely flows the blood of those
who moralize

BATMAN

Yeah that is so much better. Thank
fuck we are no longer doing
Robocop the Musical: The Movie.

THE END
